Art Camp is available to students ages 4 to 12. Scholarships are available and are distributed based on financial need. If you would like to apply for a scholarship please contact Cathy Codd at the Art Center for more information.

We have 7 staff members this year, all are veteran Art Camp instructors. We do our best to maintain a 1 to 4 ratio with the pre-school camps, a 1 to 8 ratio with the K-3rd grade camps, and a 1 to 10 ratio with the 4th - 6th grade camps.

All campers must be potty trained and able to remain at camp without a parent or guardian. We recommend that you send your camper in old clothes. Every day we have a snack and game time and on hot days we play in the sprinkler.

We offer discounts to members and to families with multiple campers.

See you this summer...
