Food for Thought

Did you know? *The Last Supper* by Leonardo da Vinci is painted on a wall! Being da Vinci's first time working in the medium of *fresco* he did not mix the paint pigment into the wet plaster, he instead placed the pigment onto dry plaster leading to great deterioration over time, very little of the original is left.

Daniel Chester French, sculpture of *Abraham Lincoln* among other famous statues, was encouraged to become an artist by Louisa May Alcott, author of *Little Women*. Who encourages you to do the things that you love? _____

Did you know? You can use fruits, vegetables, spices, and more to create natural dyes for Easter eggs.
