Food for Thought

Make a list of all the things you are grateful for about your mother, or mother like figure you have in your life.

What are some ways you can show others you care right now?

Did you know? Movies move at 24 frames per second. That's 24 pictures that flash on the screen in 1 second. Try clapping your hands 24 times in 1 second. Can you do it? _____

The Thaumatrope is a toy that was popular in the 1800's and became a precursor to the production of film and movies. Can you do some research to find out what other toys became influential in the discovery of film? _____
